Let your learning soar to new heights with our printable 6th grade language arts worksheets. With abundant practice in identifying subject and object personal pronouns, recognizing inappropriate shifts in verb tenses, finding direct and indirect objects, adding subject and object complements, converting between direct and reported speech, fixing punctuation errors, consulting dictionaries, interpreting figurative language, determining the central theme, and analyzing characters, our pdf exercises are a surefire hit with students and are accompanied by an answer key. Grab our free grade 6 language arts worksheets for instant practice! Select Grade 6 ELA Worksheets by Topic Identifying Subject and Object Pronouns Treat grade 6 learners to some instant practice with our language arts worksheet pdf in distinguishing between the pronouns used as subjects and objects in each sentence. Circle the former and underline the latter. Analyzing Metaphors Identify the three parts of each metaphor: the tenor or the subject to which attributes are ascribed, the vehicle whose attributes are borrowed, and the common ground which shows the similarity. Helen Keller | Reading Comprehension Increase interest and brush up comprehension strategies as you analyze the characters of Helen Keller and Annie Sullivan while scanning through the informational text. Write an appreciatory note on the passage. Identifying Personification in a Story Skim through the story "A Spooky Night", hunting for instances of personifications, where non-human objects are endowed with human qualities, and underline them. Spotting Phrasal Verbs in the Story Draw students into mining the story "Cleanup Day" for phrasal verbs and underlining them. Direct them to frame meaningful sentences with the phrasal verbs found and fast-track their phrasal verb uptake. Completing Alliterations Pique the minds of learners with this printable grade 6 language arts worksheet as they identify the repeated initial sounds in each sentence and supply a word with a similar sound to complete the alliteration. Christopher Columbus | Reading Comprehension Look for textual evidence to support the assertions and inferences as you scan through this passage about the explorer Christopher Columbus and review summarizing skills in the process. Nouns as Indirect Objects Prep-up learners with our 6th grade ELA worksheet pdf and get them to comb each sentence for the indirect object, which is a noun here, that receives the benefit of the action of the verb and underline it. Matching Onomatopoeia Adopt an interesting way to get students exposed to this literary device replete with sound effect. Let them read each scenario and match it to the onomatopoeia or the sound word that resembles the sound produced. Changing Facts into Opinions Read the verified facts in this printable English worksheet and write an opinion about each topic. Remember, the facts remain the same, while opinions change from person to person. Identifying Dependent Clauses Foster an understanding of the dependent or subordinate clause that doesn't contain a complete thought and functions either as a noun, adjective, or adverb clause in a sentence and underline it. Completing Oxymorons Creating interesting oxymorons is what grade 6 students do in this language arts worksheet pdf, as they match the words in the box with contradictory words attached to the spider's legs, and combine them. Dictionary Skills | Quiz Expose learners inadvertently to a wide range of words and develop dictionary skills as they look up a dictionary and find the meanings of words, syllabicate words, find group words, and origins of words too. One excellent method is to use an electronic worksheet, or several worksheets, which give you real-life examples and practice questions with answers. The best of these worksheets will be well organized and contain many different types of questions, which you can respond to in the appropriate manner. Also, you will be given some fairly simple instructions and be able to complete the work in small periods of time.6th grade english worksheets with answersFor example, the type of question you can expect to find in most 6th grade English grammar worksheets are about how to introduce yourself, and answer questions about people, places, things, and other items. Sometimes you may also be asked to write a short essay about a particular topic, to which you will receive a partial answer. Occasionally you will be asked to write an essay about one word or a group of words. You must select your words carefully, so that your essay does not sound like an attempt at academic writing. Some of these worksheets will have partial sentences with the answers to the questions, so that you can get an idea of what the answer should be. Often these sentences will also have some suggestions for making your sentences sound more clear and complete.6th grade english worksheets with answers 1 Download File6th grade english worksheets with answers 2 Download FileWhen you first start to use these worksheets, you might try them out just once at home. Then you will be more comfortable using them at home, and perhaps at school as well. Be sure to check your work often, and try to answer the questions correctly. You might also want to revise your answers from time to time, just to make certain that the grammar you used is correct.6th grade english worksheets with answers 3 Download File6th grade english worksheets with answers 4 Download FileIf you do this regularly, you will find that it is quite easy to learn how to use the worksheets to help you with your studies. By using these worksheets as much as possible, you will get a good idea of how to arrange your sentences in a logical way. Then you can spend more time practicing other types of English, such as tense, tenses, and even verb forms. You will quickly learn that it is really quite simple to master the use of these worksheets and how to use them to help you learn English.6th grade english worksheets with answers 5 Download File6th grade english worksheets with answers 6 Download FileMany people are very surprised at just how effective these worksheets are at helping students learn English. They can be used at home, in class, or even when taking tests. The reason that they work so well is that the student has to think very carefully in order to answer the questions. Very few people can just look at the answer and know how to answer it; it requires a level of concentration that many people don't possess, especially in this age of stress.6th grade english worksheets with answers 7 Download File6th grade english worksheets with answers 8 Download FileIn the past, teachers might assign homework to students in order to motivate them to study. In this modern age, students must learn to rely on worksheets, which are easier to do because they are already familiar with the format. When answering worksheets with multiple-choice answers, you are given a choice of several answers. If you can't answer with a single example of the correct answer, then you are allowed to rephrase the question and select another answer. This helps you learn how to use logic and learn the structure of an English lesson.....PinterestFacebookTwitterRedditEmail
